The undersigned, on behalf of SRI, and one or both of its foreign principals may participate in that debate, utilizing the traditional governmental and public relations facilities that commercial and industrial entities typically use in this connection, including the services described in the response to question 11, above.

The undersigned will receive no compensation beyond his salary as an employee of SRI. It is anticipated that the services described above in the responses to questions 11 and 12, if rendered, will represent but a very small part of the undersigned's overall responsibilities.
